We have a large supply of the finest seeds that were ever harvested, and we sell them at prices that are right. We sell first quality best seeds at the lowest possible price.

Thanking our friends and patrons for their kindness and liberal orders in the past, and soliciting a continuance of same. Send in your orders as early as possible, and induce all your neighbors and friends to join their orders with yours and all send together for **ALNEER'S RELIABLE HIGH GRADE SEEDS**.

Yours Very Truly,

ALNEER BROTHERS.

If you get more than one copy of this Catalogue, kindly hand the extra one to a neighbor who buys seeds. Market Gardeners and Truckers send for Wholesale Catalogue. We can save you money.

We are always glad to receive these orders, and all persons who will send us such orders we will give the following cash discounts from catalogue prices for seeds in packets only:

On a Club Order amounting to \$3.00 in packets, 15 per cent cash discount.

On a Club Order amounting to \$5.00 in packets, 20 per cent cash discount.

On a Club Order amounting to \$10.00 in packets, 30 per cent cash discount.

Positively these offers are for seeds in Packets only. Seeds by weight or measure, plants, bulbs and implements cannot be included in these club rates. With our low prices this makes the greatest offer in seeds ever made. Any one can in a few hours among neighbors make up a club.

Seeds Given Away or Extras. Every year we distribute free to our customers large quantities of seed packets of choice and rare sorts. The larger the order is the greater will be the number of extras thrown in as a rule, exceptions only when heavy bulk seeds are ordered, such as farm seeds.

Our Prices have been placed as low as possible for first quality and honest seeds, besides the many extras we shall continue to freely throw in.

Our Packets. We guarantee that our packets are large size and well filled with choice, fresh seeds. Our customers say that our packets are larger and better filled than most seedsmen's packets. We have no half size packets.

What We Warrant. We believe that the seeds we offer are excelled by none in the world, yet our practical experience of many years fully assures us of the fact that crops may fail no matter how fresh and pure the seeds sown to produce them may be. Therefore, while we exercise the greatest care to have all seeds pure and reliable, it is hereby mutually agreed between ourselves and the purchaser that we are not in any respect liable or responsible for the seeds sold by us, or for any loss or damage arising from any failure thereof in any respect, further than that, should they not prove as represented, we will refill the order without charge.

Seeds, Bulbs and Plants Free by Mail. All Seeds, Bulbs and Plants are sent free by mail or express at prices quoted to any part of the United States unless otherwise specified, except seeds by the 1/4 bushel, 1/2 bushel, 1/2 bushel and bushel, which are sent by express or freight at buyer's expense. In such instances we reserve the privilege of enclosing in the bags or packages such small packets as may be ordered, as it does not increase the transportation charges, and in consideration of this we will add enough extras to fully repay our customers for this kindness.

How to Send Money. The money must accompany the order, and can be sent safely by Postoffice Money Order, by Draft on New York or Chicago, by Registered Letter, by Express Company's Money Order. Please do not send individual checks, as it costs 25 cents extra to have them returned to your bank to be cashed. We disclaim all responsibility when remittances are not made as above directed.
